At the request of the General Assembly, the Governor created the Maryland Vietnam Veterans Memorial Commission in February 1984 (Joint Resolution no. 22, Acts of 1983). The Commission developed recommendations for a Vietnam war memorial to honor Marylanders who were killed or missing-in-action during that conflict.

Construction of the memorial began October 1988 at Middle Branch Park in Baltimore. Dedication is scheduled for May 28, 1989. The Commission continues meeting to monitor and assist in the work of erecting the memorial.

The Maryland Vietnam Veterans Memorial will display the names of the 1,046 State residents who died in Vietnam from 1959 to 1975. Included among these are the names of 37 Marylanders who are listed as missing-in-action.

The Commission submitted an interim report to the Governor in October 1988.
